

Using Zoom with the Classroom-Supplied Computer

If your classroom has a supplied computer, you can use the in-room camera with the classroom computer.

1. Log onto the computer using your **NetID** and **Password**
2. Launch Zoom
3. Choose **Sign in**
4. Select the **Sign in with SSO option** on the right.
5. Type in **Tennessee** before the **.zoom.us**
6. Select **Continue**
7. Log into Zoom with your NetID and Password
8. Approve the Two-Factor Authentication
9. Choose **Launch Zoom**
10. Choose **Yes** if asked, “**Did you mean to switch apps?**”
11. Launch your meeting
12. Choose **Join with Computer Audio** (you may want to select the checkbox to Automatically join audio by computer when joining a meeting as well)
13. **Turn on the lavalier** (lapel-style) mic
14. In Zoom, **select the menu next to the Sound** to choose the correct sound for the room
15. Choose **Same as System** for both the microphone and the speaker
